Students who are residents of Woodland Park School District but who are enrolled in nonpublic education programs (private school or home study) may be enrolled in courses without payment of tuition provided the following conditions are met: (1) the student is enrolled at the beginning of the Fall term for a minimum of 90 hours/semester; (2) the student meets class requirements and/or prerequisites; and (3) classroom space and facilities are available. Additionally, students attending another Colorado school district or Colorado on-line program, must provide a letter from the other district/program indicating knowledge of dual enrollment and willingness to share funding.

Registration Request

1.) Requested courses through Merit Academy: (Note that students must attend at least 2 classes at Merit Academy, or at least 6 hours/week at the elementary)

2.) Student's curriculum for classes not taken through Merit Academy:

3.) Is the student attending another school, school district and/or taking classes through a computer on-line program? Yes No

If Yes, which district/program?

And, if a Colorado school district or Colorado on-line program, is a letter provided from that program indicating their agreement to share funding?
