

Merit Academy is currently seeking Special Education Teacher to join our faculty, starting this 2022-2023 school year.

ABOUT MERIT ACADEMY:

Merit Academy is a new school-of-choice in the beautiful mountain community of Woodland Park, CO.

This classical, Core-Knowledge® school is completing our first year and looks at growing our classes for year two. There are currently more than 170 full time students, an additional 125 Intent to Enrolls (and counting), with nearly 100 homeschool students in our various homeschool programs. There is great

need and desire for a classical, public school option in our area.

Merit Academy opened K-8 in year one, growing to K-12 over the first five years. At maturity, Merit Academy will have two classes per grade, with purposefully smaller class sizes. There is further homeschool enrichment opportunity with Merit Academy.

Merit Academy is unique in that it is situated in an area that provides many opportunities for tremendous Rocky Mountain Enhancements. Additionally, to honor our rural culture and demographics, there is a “rocky mountain version” of a uniform, unique to what you may find in an urban and traditional classical school.

Merit incorporates a vertical and horizontal integration within academics and the House System. This careful design not only allows team cohesion among students of all ages and abilities in community and school projects, but it also provides our valued educators with additional collaboration and planning time.

Vision: To graduate students prepared for success in a free society, promoting civic responsibility and contributing their talents in a flourishing republic by pursuing beauty, truth, and good.

Mission: Merit Academy will cultivate the minds and nurture the hearts of K-12 youth in the Ute Pass/Woodland Park region with instruction in the principles of moral character and civic virtue, employing honored foundations of classical education and Core Knowledge®.
