

## Merit Academy Bullying Prevention and Education Policy

---

Merit Academy supports a secure school climate, conducive to teaching and learning that is free from threat, harassment, and any type of bullying behavior. The purpose of this policy is to promote consistency of approach and to help create a climate in which all types of bullying are regarded as unacceptable.

Bullying is the use of coercion or intimidation to obtain control over another person or to cause physical, mental, or emotional harm to another person. Bullying can occur through written, verbal, or electronically transmitted expression or by means of a physical act or gesture. Bullying is prohibited against any student for any reason, including but not limited to any such behavior that is directed toward a student on the basis of their academic performance or any basis protected by federal and state law, including disability, race, creed, color, sex, sexual orientation, gender identity, gender expression, marital status, national origin, religion, ancestry, or the need for special education services, whether such characteristic(s) is actual or perceived.

Bullying is prohibited on Merit Academy property, a Merit Academy or school-sanctioned activities and events, when students are being transported in any vehicle dispatched by Merit Academy or one of its schools, or off school property when such conduct has a nexus to school or any Merit Academy curricular or non-curricular activity or event.

A student who engages in any act of bullying and/or a student who takes any retaliatory action against a student who reports in good faith an incident of bullying, is subject to appropriate disciplinary action including suspension, expulsion and/or referral to law enforcement authorities. The severity and pattern, if any, of the bullying behavior will be taken into consideration when disciplinary decisions are made. Bullying behavior that constitutes unlawful discrimination or harassment will be subject to investigation and discipline under related Board policies and procedures. Students targeted by bullying when such bullying behavior may constitute unlawful discrimination or harassment also have additional rights and protections under Board policies and procedures regarding unlawful discrimination and harassment.

The Superintendent will develop a comprehensive program to address bullying at all school levels. The program will be aimed toward accomplishing the following goals:

1. To send a clear message to students, staff, parents, and community members that bullying and retaliation against a student who reports bullying will not be tolerated.
2. To train staff and students in taking proactive steps to prevent bullying from occurring.
